

MARIUM HAMMAD

MIXED MEDIA & RESIN ARTIST | TEXTURED WALL ART | CREATIVE CONTENT

Calgary, Alberta | 403-390-3583 | [Email](#) | [YouTube](#) | [Instagram](#) | [Facebook](#)

ARTIST PROFILE

Educated professional and independent artist developing a focused creative practice in resin geode art, botanical textured art, Islamic-inspired art, and sculptural mixed-media techniques. Creates original handmade pieces with attention to colour, texture, composition, surface detail, and presentation for contemporary interiors. Brings strong documentation, organization, customer service, and digital-content skills from professional and community experience. Seeking opportunities to contribute to an art studio, gallery, creative retailer, interior decor business, exhibition team, or community arts program while continuing to build an authentic portfolio.

ARTISTIC & PROFESSIONAL SKILLS

Art & Design: Resin geode art, textured art, botanical art, Islamic-inspired art, mixed media, colour selection, composition, decorative wall art

Creative Operations: Artwork presentation, visual content, social media, customer service, documentation, record keeping, Microsoft Word, Excel, PowerPoint

CREATIVE PRACTICE & RELEVANT EXPERIENCE

Independent Artist & Creative Content Publisher

Calgary, Alberta

- Creates original handmade artwork across resin geode, botanical textured, Islamic-inspired, and other mixed-media styles, with emphasis on decorative impact and interior presentation.
- Documents and shares artwork through YouTube and social media to build a consistent creative presence and make completed work easier for viewers and potential buyers to discover.
- Organizes artwork images, descriptions, and online content while developing a dedicated art portfolio and sales-focused digital presence.

Community Arts & Program Support

Calgary, Alberta

- Participated in community events and supported inclusive, hands-on creative activities through volunteer involvement.
- As a Girl Guides of Canada Leader, coordinated youth activities that included arts and crafts, group programs, and collaborative experiences.

Client Service, Records & Event Support

Elections Canada, CMHC and CIWA volunteer settings

- Transferred professional strengths in accuracy, organization, records, public service, teamwork, and time-sensitive event support to a disciplined creative practice.

EDUCATION & TRAINING

Business Intelligence Data Analysis and Reporting

Southern Alberta Institute of Technology (SAIT)

- Education supporting digital presentation, visual communication, structured project work, and technology-enabled portfolio development.

Bachelor of Commerce, Accounting and Finance

University of Punjab
